# Right for Retailers

The Alabama Retail Association and its political action committee, *Alabama RetailPAC*, recommend these statewide candidates as the best choices for Alabama retailers in the July 13, 2010, **Republican** primary runoff:

## GOVERNOR

### **Bradley Byrne**

- ✓ Learned integrity and what it takes to run a retail business from his father, who sold trucks for a living.
- ✓ Family's ties to Mobile area predate Alabama becoming a state.
- ✓ Former senator, state school board member and two-year college system chancellor. Friend to retailers, endorsed by *RetailPAC* in 2002 and 2006 Senate races.
- ✓ Voting record favors business. Fiscal conservative who has fought for legal reform and **AGAINST NEW TAXES**.
- ✓ Proven he won't back down when confronted by union and other political powerbrokers.

## COMMISSIONER OF AGRICULTURE AND INDUSTRIES

### **John McMillan**

- ✓ Former Commissioner of the Alabama Department of Conservation and Natural Resources, two-term state representative, Baldwin County commissioner.
- ✓ Served 20 years as executive director of Alabama Forestry Association
- ✓ Family has lived and worked in Alabama for six generations.
