## BEST FOR BUSINESS

GOVERNOR 2010

### *Why business backs Bradley Byrne for Governor*

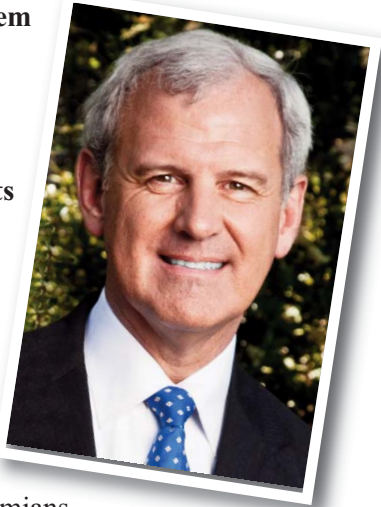

- He is a **proven problem solver** who will move Alabama forward.

- He's taken a *No New Taxes*' pledge and will fight **against any efforts to raise taxes**.

- He will **manage** government **with** discipline and **innovation**, use tax dollars wisely and sparingly, implement sound budgeting processes, and **concentrate on creating jobs** for Alabamians.

- He will encourage entrepreneurship, **support** our **small businesses**, shore up our existing businesses and industries, adopt cutting-edge practices in work force training and continue Alabama's strategic pursuit of new industry.

- He **favors** job creation **tax credits**, a greater health care premium tax deduction, a research and development tax credit, **small business regulatory relief** and establishing the Governor's Office of Innovation and Entrepreneurship.
